JerseyGenome™ Breeder Nomination Form

Nominations must be recieved at the JerseyNZ office by **Friday, 10th January 2025**

Please list your female nominations below and take a wet tissue sample (using Tissue sampling units with liquid preservative to take an ear notch). Make sure you correspond each DNA sample using the barcode on the side of the unit for each female birth ID.
If your females(s) have been sampled through another company, we **DO** require a separate sample as information is currently not shared between different genotyping platforms.

TSU BARCODE	BIRTH ID	SEX	BREED	DAM BIRTH ID	SIRE AB CODE

This form MUST accompany DNA samples in order to be processed. No form no processing

- We suggest you put the samples into a zip lock bag before using the envelope provided.
- Please INCLUDE the cardboard backing linking samples to the birth ID of the sampled female(s) as a double up in case this submission form becomes lost/damaged.
- Only refrigerate samples (do not freeze)

Please send your DNA samples to:
NZ Post: JerseyNZ, P O Box 1132, Hamilton 3240
Courier: JerseyNZ, 290 Tristram St, Hamiton 3204

ACKNOWLEDGEMENT

The Customer (or person signing this form on behalf of Customer) is deemed to have accepted the CRV Limited terms and conditions by signing this acknowledgement, see https://crv4all.co.nz/nz/terms-and-conditions. The Customer accepts and acknowledges that he or she has the authority on behalf of the legal owner(s) of the animals in question to order the services detailed. The Customer also accepts and acknowledges the samples are submitted on the condition that all profiles/genotypes derived from the samples will be incorporated into the CRV & AgResearch databases and may be used for the purposes of parentage verification (including but not limited to) at any time. Samples and/or extracted DNA will be stored for a period of 18 months (unless destroyed during the DNA extraction process which can happen). The Customer verifies that the animal information submitted on this form is true and correct. The Customer also accepts CRV remains the owner of all data relating to the DNA test results as set out in CRV Limited terms and conditions. All rights and obligations shall survive final performance of this Agreement.
